Procrastination is the thief of time. It is in this case also the thief of the pocketbook. The people who have made the most money in Tulsa real estate are the wise folks that have purchased property in new additions at opening sale prices just in advance of water, E. B. Ward Realty Co. sewers, pavings and other municipal improvements. 414 Mayo 10dg. 1 Phone 5012 For instance, Morningside lots increased in value as much as \$1,000 to \$1,500 during the year of 1917. The increase in the price of Maple Ridge lots the year previous was even greater. You can't purchase a lot-in Broadmoor today except at a great advance over what the same lot could be bought for sixty days ago.

> Only three days more and the opportunity to purchase Ridgewood Lots at from \$800 to \$1,500 will be gone forever.
